Amaurosis in locomotor ataxy, 339
Ambulance Association, St. John's, 988
——— drill, volunteer, 892, 972; for cavalry soldiers, 975; classes, result of, 929
Ambulance for St. Marylebone, 929
America, lunatic asylums in, 19; sanitary condition of hogs in, 488
American diplomas, 907
——— pork, 314, 321
——— *versus* British beef, 933
Ammonia, treatment of diabetes mellitus by salts of, 734
Amputation of foot, Tripier's, Mr. P. J. Hayes on, 303; of hip for sarcoma of thigh, 471
Amyloid degeneration, 143
Anæmia, Dr. S. Coupland's Gulstonian lectures on, 419, 455, 499, 550, 589, 633; idiopathic, 722
Anæmic century, 180
Anæsthesia, deaths after, 30, 69, 103; Dr. E. H. Jacob on, 429; by Nitrous Oxide, Dr. R. Blanchard on, *rev.*, 1006
Anæsthetic, ethidene-dichloride as an, 30; protoxide of nitrogen as an, 441; chloral as an, 527
Anæsthetics in pauper surgery, 948, 1027
Anatomical specimens, presentation of, 297
Anatomy, Human, and Physiology, Dr. Witkowski's Atlases of, *rev.*, 18; inspector of in Scotland, 316; Pathological, Dr. Lancereaux's Atlas of, *rev.*, 812; from the living subject, 926
Anderson, Dr. McCall, recovery from ascites, 235; athetosis, *ib.*; curability of acute phthisis, 266; bilateral paralysis of vocal cords, 968
Aneurysm of aorta a cause of backache, 222
——— of aorta, thoracic, treated by galvano-puncture, 276; case of, 598; demonstrated by laryngoscope, 849; treated by iodide of potassium, 885
——— of axillary artery, antiseptic ligature of carotid and subclavian arteries for, 233
——— of cerebral arteries, 769, 809
——— ilio-femoral, treated by ligature of external iliac with kangaroo-tendon, 820
——— intrathoracic, ligature of subclavian and carotid arteries for, 205, 232, 469
——— of popliteal artery, cured by digital compression of femoral, Dr. J. B. Brierley on, 118; double, successfully treated, 513; treated by ligature of common femoral, 882
——— of pulmonary artery, 808
——— subclavian, ligature of subclavian artery for, 341
Angina pectoris, Dr. Moxon on, 672
Animal Body, Dr. Gamgee on Physiological Chemistry of, *rev.*, 517
——— substances, behaviour of in lung-tissues, 811
Animals, mechanical structure of, 358; inquiry into transmissibility of diseases of by food, 406
Ankylostomum, Dr. E. Bugnion on epidemic caused by, in St. Gothard tunnel, 382, 401
Anorexia nervosa, 850
Anthrax, Dr. Greenfield on, 3, 81
Antiseptic abdominal sections, 122
——— apparatus, 520
——— method, influence of on medical jurisprudence, 61; applied to abscess of liver, Mr. A. T. Wear on, 86; to empyema, Dr. G. H. Philipson on, *ib.*; Mr. A. Wilson on application of, 117; cases illustrating, 196, 306; Dr. G. Yeo on application of to cranio-cerebral surgery, 763; in France, 1014
——— inhalation in pulmonary affections, Dr. Coghill on, 841; letter on, 908
——— osteotomy, 516; rapid death after, 850
——— ovariotomy, 253, 320
——— suprapubic lithotomy, 402
——— treatment of enteric fever, Dr. C. E. Shelly on, 554; of diphtheria, 734; of woolsorters' disease, 1025
——— eugenol as an, 315
Antivaccinators, fines of, 22; riotous, 284, 692; tales of, 570; at Dewsbury, 931
Antivivisection bazaar in Edinburgh, 134; bill in America, failure of, 440
Aorta, aneurysm of a cause of backache, 222
——— thoracic, rupture of, 234; aneurism of treated by galvano-puncture, 276; case of aneurysm of, 598; aneurysm of demonstrated by laryngoscope, 849; treated by iodide of potassium, 885
——— of ox, ligatures of, 320, 432
Ape-headed nation, 479
Apoplexy, hæmorrhagic, 515; Dr. R. Bowles on stertorous breathing in, 845
Apothecaries' Hall of Ireland, results of examinations in 1880, 696; alleged laxity of, 946, 988
——— Society, results of examinations in 1880, 696; pass-lists, licence, 35, 105, 141, 179, 215, 256, 295, 324, 366, 414, 487, 536, 579, 622, 665, 709, 753, 789, 832, 870, 903, 950, 985, 1029; primary examinations, 35, 105, 179, 215, 256, 295, 366, 414, 467, 536, 579, 622, 665, 709, 753, 870, 903, 950, 985, 1029; preliminary examination in arts, 215, 709
Appointment, a good, 452
Archives de Neurologie, 237
Arm, gangrene of from poisoned wound, 275; paralysis of, 852
Army, British, practice by surgeons of, 76; the war in South Africa, 79, 366, 729, 826, 869, 893, 941; the medical officer of Chatham garrison, 179; the Brigade-Surgeoncy of the Guards, 213; letters on medical department of, 213, 322, 869, 948; promotions and changes, 216, 294, 449, 754, 1026; the future director-general, 294; medical officers at Kandahar, 365, 578; Surgeon-major Shepherd's *First Aid to the Wounded*, 366; successful candidates at examinations, 366; supply of medicines, 410; the late Surgeon-major Cornish, 412; reward for distinguished service, 449; deaths of medical officers, 449; hospital corps at the Cape, *ib.*; the war in Afghanistan, 449, 830, 898, 948, 980; training of nurses, 449, 887; old soldiers and young soldiers, 449; proceedings in Parliament regarding medical officers, 486; intoxicating liquors in, 565; opening of summer session of medical school, 570; statistics of medical department, 788, 831, 902; Medical Officers' Benevolent Society, 948; ambulance drill for cavalry soldiers, 975; soldiers' wives and their families, 984
